

Missouri Breastfeeding Coalition

www.MOBreastfeeding.Org

The Missouri Breastfeeding Coalition works to improve the nutritional status and overall health of families in Missouri by working collaboratively to promote, support, and protect breastfeeding.

Are you interested in?

- Improving breastfeeding initiation and duration in Missouri.
- Reducing and removing barriers to breastfeeding in Missouri.
- Helping to establish equitable access to lactation care and services in Missouri.
- Helping to establish the portrayal and acceptance of breastfeeding as the cultural norm for infant and child feeding in Missouri.

If so, we'd love to have you join the Missouri Breastfeeding Coalition!

We meet six times a year in different parts of the state or by conference call. Meetings are on the third Friday of odd numbered months.

Benefits of membership include:

- Inclusion on email lists for updates, events, and all communication among members.
- Professional and networking affiliations.
- First-hand opportunities to help shape the direction and perception of breastfeeding in your community.
